

Teacher of **Chemistry** in the **English Section** (Ref.: 2017/03):

- A qualified, enthusiastic and experienced teacher of Chemistry is required to teach the subjects to all levels, including the European Baccalaureate.
- The ability to teach ICT and/or Maths would be an advantage.
- Approximately 16 lessons per week (full-time is 21 periods of 45 minutes).
- The teacher should preferably be a native speaker of English, although a good knowledge of English (C1/C2) would also be considered.
- Good team-work with other teachers is expected.
- Experience of using the graphical calculator would be an advantage.
- Good planning and ICT skills are essential.

All contracts are for one school year, and there is the chance to prolong the contract if the hours are still available. For information on the conditions of service and salary for the teaching posts, copy the following link
